

What Rupert Murdoch and other greed driven media hogs want is not at all in the best interest of the American people. In fact, If they have their way, it will be disastrous. I want rules in place that serve the public, rather than private, interest. I oppose taking a vote that leads to more media consolidation. Without the people's consent, you have absolutely no right to give in to these people, who have no interest at all in what is best for America, only what temporarily appeases their unbridled greed. On June 2nd, I urge you to retain the current ownership rules.
